

**Williamsburg Montessori School  
Elementary Summer Camps  
2025**

**Picture Perfect**

**June 16–June 27**

**Alyssa Weaver**

Capture the magic of summer during this photography camp! Children will learn the history of photography along with the basics of digital photography through hands-on activities. We will learn how to take beautiful photos, experiment with different techniques, and discover the world through a camera lens. Whether they are making their own cameras, snapping pictures of nature, or exploring unique perspectives, students will have the opportunity to express their creativity and build confidence in their skills. This camp will end with a photo exhibition to celebrate our picture-perfect artwork!

\*There will be a materials fee for this camp.

**Summer Sports!**

**June 30–July 11**

**Holli Sawyer**

We are going to get sporty and work up a sweat! This summer camp will be all about the campers gaining basic skills necessary with an introduction to lacrosse, baseball, soccer, basketball, and Quidditch – the game popularized by Harry Potter books. The camp will also focus on sportsmanship, teamwork, cooperation, how to practice effectively, how to be coached, health and nutrition.

**The Wonders of Science**

**July 14-July 18**

**Leset Sales**

Spark your child’s curiosity and inspire a lifelong passion for science! This summer camp combines fun outdoor adventures with interactive, hands-on science experiments that will help elementary aged children learn the fundamentals of the scientific method. Through exciting experiments focused on chemical reactions, light, water, and sound, campers will dive deep into scientific exploration while discovering the world around them.

**Nature Explorer Camp**

**July 21-July 25**

**Angela Jackson**

Campers will embark on exciting outdoor adventures, discovering the wonders of the natural world. Through hands-on activities and creative projects, students will explore ecosystems, learn about the flora and fauna that make up our planet, and develop a deeper connection to the environment. From nature hikes to wildlife observation, each day will inspire curiosity, creativity, and a sense of environmental stewardship.

**Creative Builders Camp**

**July 28-Aug 1**

**Angela Jackson**

Get ready to unleash your inner engineers and architects through hands-on, collaborative projects. Each day focuses on building, inventing, and designing with a mix of fun challenges, teamwork, and learning. From crafting simple machines to constructing eco-friendly solutions, young builders will engage their minds and imaginations while developing important problem-solving skills.
