

**Williamsburg Montessori School  
Elementary Summer Camps  
2026**

**Summer Sports!**

**June 15–June 26**

**Holli Sawyer**

We are going to get sporty and work up a sweat! This summer camp will be all about the campers gaining basic skills necessary with an introduction to lacrosse, baseball, soccer, basketball, and Quidditch – the game popularized by Harry Potter books. The camp will also focus on sportsmanship, teamwork, cooperation, how to practice effectively, how to be coached, health and nutrition.

**Arts & Crafts**

**June 29 - July 10**

**Sydney Mansuetto**

In this session, campers will exercise their creativity through arts and crafts. Campers will be given the opportunity to express their ideas and interests by making several types of artistic projects including 3D creations, nature-based pieces, stitching, painting, structure designs, print making, and clay work. Throughout the session campers will be offered the chance to present their artwork to their peers.

**Practicing the Head, Heart and Hand June 29-July 3 Okie An and Danielle Waldman  
(age 11-13)**

Join us this summer for a week-long immersion at Williamsburg Montessori Middle School! This session offers a window into our regular middle school program, which is specifically designed to meet the developmental needs of adolescents by integrating the Head, Heart, and Hand. Students will foster intellectual growth and problem-solving skills (the Head) while cultivating respect for community (the Heart). Through purposeful hands-on activities (the Hand), students will experience the virtue of manual work, helping them develop the confidence and self-reliance that defines our year-round adolescent curriculum. **Hours are 8:30am – 3:00pm**

**All the World's a Stage**

**July 13 - July 24**

**Sydney Mansuetto**

Calling all actors! Campers will be given the opportunity to explore storytelling and performance with their peers. Together, budding thespians will showcase their creativity and gain practice following scripts, designing stages, directing, and creating costumes through skits and improvisations.

**Birding Around the 'Burg**

**July 27 – July 31**

**Angela Jackson**

Birding Around the 'Burg is a one-week summer day camp for elementary children that explores the birds of Williamsburg and nearby natural areas. Students will observe and identify local birds through outdoor exploration, hands-on activities, nature games, and creative projects, and may have opportunities to hear from local birding or nature experts. No prior birding experience is needed, just curiosity and a love of the outdoors!
